

Synth1 Feeltune Bank

Presentation

This is a bank of 128 patches/presets for Synth1 VST v1.12.

Synth1 is freeware and can be downloaded @ :

<http://www.geocities.jp/daichi1969/softsynth/>

If you have any question about how to install Synth1 and/or the presets,
send us an email to : contact@feeltune.com

Presets list

The presets cover many genres, mostly electro / dance styles
and should also satisfy 90's and 80's lovers :)
